Roberts & Tilton is pleased to present *The Object Salon*, a group show composed of Los Angeles-based artists working across a variety of media.

The Project Room at Roberts & Tilton is being utilized as a frame to contain all of the individual objects as one piece, creating a collaborative work of art by an entire community of artists.

The Object Salon is part of a continuous thread of themed shows begun in 2011, curated and hosted by Calvin Marcus in the Cypress Park neighborhood of Northeast Los Angeles. The curatorial premise of the two previous shows, *The Cactus Painting Show* and *Nudes*, was that each participant was invited to contribute a work that fit the set theme. *The Object Salon* re-imagines this idea through scale constraints.

Michael Dopp and Calvin Marcus are good friends and collaborators and are pleased to present this exhibition and bring this gathering of artists to Roberts & Tilton. Calvin Marcus was born in San Francisco and lives and works in Los Angeles. He is currently an MFA candidate at UCLA.
