**Gardar Eide Einarsson**

**October 14 - November 12, 2005**

Gardar Eide Einarsson's work addresses the notion of sub cultures how they are accessed, as well as how to take part in these environments through diverse media such as snapshot photography, installations of paintings, sculptures and even textile. His work often refers to the notion of the outlaw and sub cultures, i.e. Charles Manson, skateboard communities and other underground groupings.
